Fabulous Fancy Frames

You will need:

 - Coloured pens/pencils
 - Craft materials (e.g. tissue paper, pipe cleaner, stickers)
 - Glue sticks
 - Photos
1. Find some photos which you have taken that make you feel happy
 - a. They might be of friends, family, pets, holidays, or special places
 - b. If it is a really special photo that you only have 1 copy of, maybe take a photo of the photo and use that instead!
 2. Take a piece of card and put your photo in the middle, move it around until you are happy with where it is
 3. Draw around your photo with a pencil and then put the photo aside
 4. Decorate the border of the frame with pens, stamps, stickers, and other photos
 - a. Try to make sure every bit is bright and colourful, but leave the rectangle in the middle blank (this will be covered by your photo)
 - b. You could add other things to tell the story of what is happening in the photo, such as tickets from the day out, or dried flowers to decorate a photo of nature
 5. Once you are done with the border, glue your photo onto the rectangle space in the middle of the frame
